jatinkher100@gmail.com | LinkedIn | Github

Focused Computer Science Engineering student with software development experience, seeking an internship to apply technical skills in building solutions and solving real-world problems in a team setting.

## EDUCATION

**CHANDIGARH ENGINEERING COLLEGE**                                    Mohali, Punjab
Bachelor of Technology                                                            Expected May 2025
Major in Information Technology
Cumulative CGPA: 7.01/10.0
Relevant Coursework: Software Engineering; Operating Systems; Algorithms; Data Structure; DBMS;

**KHALSA PUBLIC SCHOOL**                                    Saharanpur , Uttar Pradesh
Intermediate                                                                                              Jul 2021
Cumulative CGPA: 6.8/10.0

## WORK EXPERIENCE

**INFOSYS**                                                                                   Mohali, Punjab
Intern                                                                              June 2023 – July 2023
- Assisted in developing and debugging Java code for the Whiteboard project, focusing on improving functionality and performance.

## SKILLS

**Technical Skills**:
**Languages:** C, C++, HTML , CSS , **Java**; **Others:** Data Structure and Algorithm; JAVASCRIPT**;** MYSQL;
**Soft Skills:** Leadership; Effective team collaboration; Strong analytical and problem-solving abilities;

## PROJECTS

**Crop disease and detection management system**                      June 2023 - Aug 2023
HTML, CSS and Javascript
- Collaborated with a team to develop a software system for detecting crop diseases from images, **enhancing early diagnosis for farmers**.
- Contributed to designing features that provide disease management **recommendations, improving crop health outcomes.**

**Game Review**                                                                                    Present
HTML, CSS, Javascript and Node.js
- Worked with a team to develop a chess game review tool that analyzes **each move made by players, providing insights into game strategy.**
- Identified optimal and suboptimal moves, offering players **recommendations to improve their decision-making and gameplay.**

## ACTIVITIES AND CERTIFICATIONS

- Java from Zero to First Job (Udemy).
- Winner of Stumble Guys Inter College Competition.
- Got a certificate of participation in Workshop Poetry from the Competition.
- Got a certificate of participation in Bottle flipping in AAGAZ.
- Organized events related to singing and dancing in 2022.
